"The real thing, people, a star with potential to permanently affect the musical landscape and keep us entertained for years to come."—Billboard

BRECKENRIDGE, CO (January 27, 2015) – Breckenridge Creative Arts is proud to present chart-topping folk rocker **Martin Sexton** and his "Mix Tape Tour" on **Thursday, March 19, 2015** at 7:30 p.m. at the **Riverwalk Center** in Breckenridge. Tickets are \$35 advance and \$45 day of show and are on sale now through **breckcreate.org**.

Haunting and masterful, Martin Sexton is one of the most talked-about arrivals on the "new folk" acoustic music scene. The guitarist, singer, and songwriter has an amazing vocal range and makes effective use of it on his recordings and in his live shows. Unlike so many other contemporary singer/songwriters, his vocal style can be described as truly soulful, combining the best qualities of singers like Van Morrison, Al Green, Aaron Neville, and Otis Redding.

Martin Sexton's new album *Mix Tape of the Open Road* is that musical cross-country trip, blazing through all territories of style, as you cruise through time and place. This record is a charm bracelet of twelve gems all strung together with the golden thread of what Rolling Stone calls his "soul marinated voice." Sexton will perform tunes from *Mix Tape* as well as other favorite Martin classics on this tour.

The Breckenridge engagement of Martin Sexton is part of a new performing arts series entitled "BCA Presents," a program of year-round concerts, lectures, and special events presented and hosted by Breckenridge Creative Arts.

Established in 2014, Breckenridge Creative Arts was developed by the town to support and

promote arts, culture, and creative experiences throughout Breckenridge. This multidisciplinary nonprofit organization is responsible for the successful management of a series of programs, facilities, and partnerships that collectively animate and populate a cultural corridor in the heart of downtown Breckenridge. From quality performing and visual arts to the development of one of the region's newest arts districts, Breckenridge Creative Arts is a transformative force for Breckenridge and the greater Summit County community.
